

WEB TECH ASSIGNMENT LA 7

Adhyuth Charan K(21011102008)

Code:

```
const express = require('express');
const app = express();
const port = 3000;

app.get('/', (req, res) => {
  res.send('Hello Everyone this is your irttc website page');
});

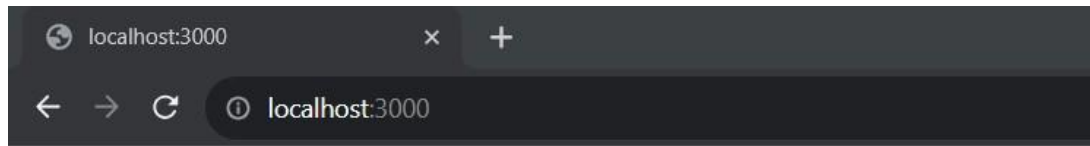

app.get('/about', (req, res) => {
  res.send('This is the about page of the irttc official website'); //
});

app.get('/contact', (req, res) => {
  res.send('This is the customer contact page of the irttc official website'); //
});

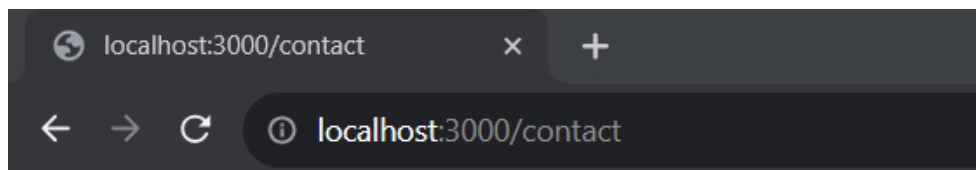

app.use((req, res) => {
  res.status(404).send('Page not found');
});

app.listen(port, () => {
  console.log(`Server is running on port ${port}`);
});
```

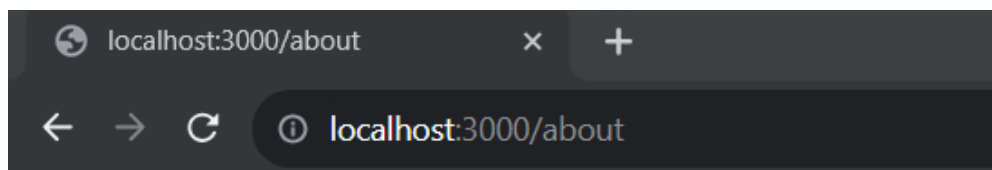

OUTPUT:

Hello Everyone this is your irctc website page

This is the customer contact page of the irctc official website

This is the about page of the irctc official website
